

ISLAND PACKET 370

INTRODUCTORY SPECIFICATION AND PRICE LIST

Rig / Sails / Hardware

- ★ Sails: Roller furling main for standard in-mast system, 110% roller furling high clew genoa jib – high modulus Dacron
- ★ Genoa sun panel in choice of Sunbrella® colors
- ★ Genoa gear, including tracks, blocks, sheets, and Harken® furling system
- ★ Jib halyard winch on mast, Lewmar® Ocean Series 24C 2-speed
- ★ Mainsail gear, including halyard on mast led to Lewmar 24C winch; main sheet traveler w/4:1 control system led to cockpit; roller furling lines, sheet, and spare main halyard led to cockpit through stoppers to Lewmar 30CST winches
- ★ Spare main halyard (on Delrin® bearing masthead sheave) led to cockpit through stopper to Lewmar Ocean Series 30CST winch
- ★ All halyards internal; color-coded running rigging, convenient coaming storage bins for lines
- ★ Staysail prep, including boom bearings, deck cover and spar hardware (sail, furling system, halyard winch, deck hardware and standing and running rigging package sold separately)
- ★ Boom vang package
- ★ Winch handle -10" lock-in chrome – Lewmar "PowerGrip®"
- ★ Jib sheet winches (2) Lewmar Ocean Series 44 CST 2-speed
- ★ Mid-boom sheeting for unobstructed cockpit & dodger installations
- ★ Wheel steering - console mounted Whitlock® "Premier XL" rack & pinion direct system w/"Monarch" style hood for electronics installation, wheel brake, stainless steel wheel. Provision for remote auto pilot installation. Guard, engine control, hinged table. Emergency tiller with storage brackets
- ★ Compass, Ritchie® with custom Island Packet nav grid
- ★ Welded stainless steel double bow rail & stern rail, stanchions, stern rail with twin seats, stainless steel flagstaff, and holder. Double lifelines w/side gates, full-length stainless steel cabin top hand rails
- ★ Stern gate w/quick release hook
- ★ Hinged padeyes (4) for cockpit harness attachment
- ★ Teak step pads at lifeline gates with furling line hold down recess
- ★ Stainless steel hideaway folding swim ladder w/rubber treads located under flush mounted panel on swim platform
- ★ Two SeaSafe™ patented stainless steel anchor rollers w/chocks and hinged deck pipes to forepeak, mirror polished finish. Deck access to anchor locker through Lewmar hatch
- ★ Four 12" mooring cleats, two 10" spring line cleats, chocks & flush mount stainless steel chafe guards
- ★ Twin backstays for easy stern boarding & unobstructed helm seating
- ★ Topping lift-adjustable
- ★ Keel stepped mast, all anodized spars

Interior

- ★ Eleven opening ports w/screens – polished stainless steel, safety glass
- ★ Six deck hatches: forepeak, forward cabin, saloon, head, aft cabin, galley - Lewmar® (acrylic & aluminum)
- ★ Three deck ventilators (Dorade type) w/screens
- ★ Anchor locker with overhead deck hatch (w/slip resistant surface), overhead deck pipes, light; center divider w/attachment for rodes. Watertight bulkhead aft w/closeable drain to bilge
- ★ Forward cabin w/privacy doors to saloon & head compartment. Large double centerline island berth, teak shelves outboard, stowage lockers under. Aft end of bunk lifts on gas assisted support struts to reveal large blanket tray. Generous cedar-lined hanging locker w/shelf over, two bureaus w/shelves over, cedar-lined drawer under berth. Three opening ports plus overhead hatch, deck vent, varnished teak & holly sole, side step areas
- ★ Forward head with separate shower. Vanity with linen cabinet, mirror, polished stainless steel sink, hot/cold pressure water. Foldaway acrylic shower doors, electric drain pump, shower seat. Storage cabinets, opening port and overhead hatch, toothbrush holder w/cup, toilet paper holder, recessed lighting
- ★ Main saloon w/pull-out double settee berth to port, single settee berth to starboard, teak cabinets & book shelves outboard of both settees. Large stowage areas behind & under each settee. Cedar-lined hanging locker w/shelf over. Deluxe drop leaf table with light over folds against bulkhead rack (w/bottle stowage) for unobstructed main saloon. Varnished teak and holly sole. Large overhead hatch, numerous opening ports, deck vents & overhead handrails, overhead and cabin side lights. Chart stowage drawer under port settee
- ★ Aft cabin w/privacy door to main cabin, removable privacy panel in forward bulkhead. Large island-style double berth; end of bunk lifts on gas assisted support struts to reveal deep blanket tray beneath. Aft engine space access beneath cushions. Teak shelf outboard and "nightstand" shelf. Cedar-lined bureau

(continued)

(with removable shelves to allow use as hanging locker) with shelf over, access panel to port lazarette space facilitates generator installation. Two opening ports plus overhead hatch, cabin side and overhead reading lights, varnished teak & holly sole and side step areas

- ★ Navigation station / office desk / vanity in aft cabin w/fixed table and tray storage under, upholstered seat on electric swivel mount, nav light, large nav/electronics cabinet with room for variety of owner installed equipment behind foldaway mirrored doors
- ★ Courtesy/night lights with switch by companionway
- ★ All interior cushions of upholstery grade dual density foam covered in choice of premium designer fabrics
- ★ Removable stainless steel companionway ladder with teak treads, engine access behind
- ★ Storage rack for companionway drop boards
- ★ Molded slip resistant cabin sole adjacent to companionway, galley & nav station, w/draining grate in front of ladder. Teak grate lifts out for dust pan, dust pan lifts for bilge sump access with light
- ★ Teak bulkheads, cabinetry, trim - select grain w/hand rubbed oil finish

- ★ Large “open-U” shaped design w/Formica® surfaces, teak sea rails on all edges, flip-up counter extension
- ★ Icebox – with injected froth type urethane insulation. Double-gasketed hinged lid with gas support strut and latch. Electric drain pump, removable divider, light, pre-wired and engineered for dealer/owner installation of refrigerator/freezer systems. Large dry storage drawers under
- ★ Gimballed Force 10® three burner LPG stove w/oven - deluxe safety type with stainless steel sealed burner top, lift-off cover, stainless steel guard rail w/harness hooks. Pot and pan storage under
- ★ Double stainless steel sink with polished finish, hot & cold pressure water tap, manual pump, retractable spray unit
- ★ Trash bin, teak paper towel holder, towel rack & soap rack. Teak dish rack & cutlery drawers, shelf over
- ★ Opening port, overhead hatch, overhead and cabin side lights
- ★ Large storage areas above & below counter, cabinet with shelf outboard, extra bilge area stowage under ice box
- ★ Microwave oven - 115V A-C

Exterior/ Construction

- ★ 100% hand laid high modulus fiberglass construction throughout with special gelcoats for durability. All gelcoats applied using premium high volume, low pressure application equipment for exceptional finish quality, reduced airborne emissions
- ★ Island Packet's exclusive PolyClad®2 hull bottom gelcoat system with 10 year limited warranty for osmotic blisters. Hull molded in one piece utilizing a proprietary pressure-fed application system w/high modulus triaxial glass, unified w/an engineered interior grid structure and structural molded base unit
- ★ Deck laminate cored w/advanced PolyCore® - a proprietary microsphere & resin matrix with 10 year limited warranty for rot and delamination (an industry first and exclusive)
- ★ Durashield™ deck, hull topside and interior gelcoat system with superior gloss retention and resistance to fading and crazing
- ★ Deck attached to integrally molded hull flange w/bolts, lock nuts, & urethane adhesive sealant. Deck hardware thru-bolted w/aluminum backup plates. Side deck drains to boot stripe
- ★ Two-tone deck - low-glare light ivory with integrally molded light tan slip resistant surface (premium coarse diamond pattern)
- ★ Light ivory hull with matching co-extruded, hi-impact vinyl rubrail, stainless steel striker, choice of boot stripe color (urethane finish)
- ★ Large integrally molded swim/boarding platform with teak covered molded steps leading to cockpit.
- ★ Combination teak rub/cap rail w/stainless steel striker, teak cap on bowsprit; premium Sikkens Cetol® finish
- ★ Deluxe helm console with hinged table, guard/ handgrip, compass, single lever engine control, space for dealer/owner installed electronics
- ★ Cockpit seats (7 feet long) with ergonomically shaped seat and backrest. Extra wide coaming with numerous storage boxes and bins, port and starboard seat hatches with push button latches, locks, and support struts, molded helm seat with teak surface, cushion and backrest, dry storage bin
- ★ Molded fiberglass sliding companionway hatch and sea hood with integral electronics pod pre-wired for dealer/owner installed nav instruments. Latch inside, exterior hasp and lock
- ★ Integral molded dodger mount on cabin top
- ★ Companionway drop boards of solid teak, center drop board fitted with fixed port with etched logo (safety glass), captive safety lock-in pin with holder, interior storage rack
- ★ Two 2” cockpit scuppers
- ★ Fresh water cockpit shower/wash down (cold only)
- ★ LPG storage in gasketed, draining coaming bins for two 10 pound aluminum propane tanks (one tank standard)
- ★ All exterior teak treated with Sikkens Cetol® teak finish

Mechanical / Electrical / Plumbing

- ★ 56 HP Yanmar® 4JH3BE diesel - four cylinder fresh water cooled, rubber isolation mounts on reinforced fiberglass bed with integral oil drip pan, mechanical fuel pump, fuel filter, 110 amp twin fan alternator with digital echo-charger, 3 blade prop
- ★ Racor® fuel filter with water separator, jacketed fuel lines w/swedged ends, auxiliary electric fuel pump w/momentary switch for servicing
- ★ Extensive sound control in engine compartment: gasketed access doors, premium lead-lined foam insulation
- ★ Engine and head intake strainer – bronze
- ★ Recessed cockpit instrument panel w/electric tachometer, engine monitoring & warning system, hourmeter - acrylic cover
- ★ Single lever engine control mounted on pedestal
- ★ Four (4) premium AGM (absorbed glass mat) sealed 12-volt batteries (one (1) dedicated engine start battery and three (3) house batteries—all Group 27) w/momentary parallel switch at engine control to house bank for emergency starting. Stainless steel hold down bar. Room for additional dealer/owner installed batteries
- ★ Deluxe electric panels w/battery switches, circuit breakers for D-C & A-C systems, D-C & A-C gauges, battery test system, reverse polarity protection, indicator lights, elec. pump controls, LPG control, and battery charger control all concealed behind louvered cabinet doors in main saloon
- ★ A-C 30-amp dockside power system w/inlet breaker polarity protection, 50' shorepower cord, numerous interior outlets w/GFCI protection, interior breaker. ProMariner® galvanic isolator w/remote status panel
- ★ Marine converter/battery charger - Charles® 5000 series 40 amp, U.L.® approved, temperature compensating, three step electronic charger
- ★ Numerous 12V interior lamps including overhead, recessed and cabin side lamps with switches. Courtesy lamps with rocker switch at companionway; dome lights in cockpit lockers, forepeak, ice box, engine room, bilge
- ★ Water heater - 6 gallon marine type w/engine heat exchanger & A-C operation, U.L. approved, foam jacketed hoses
- ★ Pressure water system w/hot & cold water tap in galley, head, and aft cabin, shower in head, cockpit (cold only). SeaGull® water filter purifier on cold water supply for head, galley
- ★ Manual water pump in galley
- ★ LPG stove system w/10 pound aluminum tank (in gasketed, draining coaming storage well), remote solenoid safety shutoff, and gauge. Room for (optional) spare LPG tank
- ★ Marine head (Raritan®) with large seat and bowl, triple walled sanitation hose, direct overboard discharge or bypass valve into holding tank
- ★ 60 gallon (U.S.) ThermoCure™ molded fiberglass holding tank w/sealed interior, deck pump out fitting. Tank mounted gauge with remote readout
- ★ 170 gallon (U.S.) ThermoCure™ molded, baffled fiberglass fresh water tank made w/FDA approvable VE resins, deck fill, tank mounted gauge with remote readout
- ★ 75 gallon (U.S.) welded marine aluminum fuel tank w/shut off valve, deck fill, tank mounted gauge, pre-plumbed for additional pick up/return
- ★ Fuel, water and holding tanks below cabin sole maximizing storage space & minimizing trim changes
- ★ Deck fittings for water, fuel, waste – stainless steel w/integral opening lever
- ★ Electric bilge pump w/auto switch, premium Ultimate® magnetic reed float switch
- ★ Manual bilge pump – 1 1/2" hose. Mounted in cockpit near helm
- ★ Shower drain pump – electric
- ★ Ice box drain pump – electric
- ★ U.L. approved bronze thru-bolted flanged seacocks on all thru-hulls below waterline; ball valves on all thru-hulls in boot stripe
- ★ Electrical D-C grounding system for rig and underwater metals
- ★ U.L. approved marine, pretinned, 600V, color coded wiring throughout
- ★ Foredeck light mast mounted at spreaders
- ★ Masthead anchor light, nav lights
- ★ Pre-wired: anchor windlass and bow thruster power supply cables with remote control wires; VHF antenna cable in mast & interior; fan and speaker wires throughout interior; refrigeration wire; sea hood instrument pod
